FMCSA Extends Compliance Dates for Medical Examiner's Certification Integration

The Federal Motor Carrier Safety Administration (FMCSA) has [extended](#) the compliance date from June 22, 2021 to **June 23, 2025**, for several provisions of its Medical Examiner's Certification Integration final rule.

FMCSA issued an interim final rule (IFR) on June 21, 2018, extending the compliance date for these provisions until June 22, 2021. FMCSA published a supplemental notice of proposed rulemaking (SNPRM) on April 22, 2021, that proposed further extending the compliance date to June 23, 2025. This final rule will provide FMCSA time to complete certain information technology (IT) system development tasks for its National Registry of Certified Medical Examiners (National Registry) and to provide the State Driver's Licensing Agencies (SDLAs) sufficient time to make the necessary IT programming changes when the new National Registry system is completed and available.
