**AAMVA Needs Your Input for Our New Website!**

As you may know, we have been working on redesigning our website, [www.aamva.org](http://www.aamva.org). We're testing some navigation concepts for the new site and would like your feedback. It'll only take 10 minutes or less, and you don't have to be familiar with AAMVA's current website to participate. [Just click here to do the exercise.](#) We appreciate your input!

## REGION 1 NEWS

### Immigrant Driver's License Bill Stalls in House (Massachusetts)

Fifty-nine of Rep. Christine Barber's colleagues in the House co-sponsored her idea to use an economic development bill as a vehicle to authorize driver's license access for undocumented immigrants. It was apparently not enough. Barber pulled the proposed amendment, which would have spliced the text of her standalone legislation into a wide-reaching jobs and housing bill (H 4879), as debate got underway on the package Monday. [Read more at wwlp.com](#).

### Number of Near-Misses in NB Highway Construction Zones Growing 'Significantly' (New Brunswick)

Highway workers are voicing safety concerns about a rise in near misses, and even a recent collision, in construction zones. Speeding and distracted driving are the top two concerns, says Tom McGinn, the executive director of the New Brunswick Road Builders & Heavy Construction Association (NB RBHCA). [Read more at globalnews.ca](#).

### Nonbinary NYU Law Student Sues to Get "X" Gender Option on NY Driver's Licenses (New York)

An NYU law student wants the state to update its drivers licenses to include a nonbinary gender option, and is now suing Governor Andrew Cuomo and the commissioner of the New York State Department of Motor Vehicles to make that happen. [Read more at gothamist.com](#).

## Another Death (New York)

Scooter-sharing company Revel announced Tuesday that its service in New York City will be shut down "until further notice." The announcement comes days after one of its mopeds was involved in the death of CBS New York reporter Nina Kapur earlier this month, and after another fatal crash involving a Revel was reported overnight in the city. [Read more at cbsnews.com.](#)

## PennDOT Seeks Input From Motorists (Pennsylvania)

PennDOT is seeking input from motorists on traffic safety and driving behaviors. The state transportation department announced the launch of the survey this week and said it will be live through August 17. The survey should only take about five minutes and results are anonymous. ## State of California DMV Selects Forte to Manage Its E-Check Verification Process

Forte Payment Systems®, a CSG® (NASDAQ: CSGS) company, today announced it has been selected through a competitive bid process by the State of California Department of Motor Vehicles (DMV) to oversee its e-check verification process. [Read more at businesswire.com.](#)

## Office of Highway Safety Announces Statewide Seat Belt Enforcement (Idaho)

Taking three seconds to buckle up before driving or riding in a vehicle could mean the difference between life and death. That's why the Office of Highway Safety is partnering with local law enforcement agencies to patrol for those not using safety restraints across Idaho. The mobilization will run from July 25 to Aug. 7, 2020. [Read more at postregister.com.](#)

## RCMP Reminds People to Stay Sober on Boats This Summer (Saskatchewan)

Saskatchewan RCMP is reminding residents to be sober and safe out on the water this summer. With warm temperatures ahead for the long weekend, RCMP, the Ministry of Environment and SGI remind boaters that being impaired and operating a boat has similar consequences to the impaired operation of a vehicle. [Read more at regina.ctvnews.ca.](#)

## Mobile Signs to Appear Around Saskatoon Will Show Locations Where Impaired Drivers Were Apprehended (Saskatchewan)

Saskatoon residents will soon be seeing mobile signs around the city noting the locations where impaired drivers were apprehended following 911 calls from the public, as part of a new awareness initiative by MADD Saskatoon, Saskatoon Police and Saskatchewan Government Insurance (SGI). [Read more at globalnewswire.com.](#)

## OTHER NEWS

### Infrastructure Is Next Big Thing in AV Investment

Autonomous vehicle (AV) companies are emerging from a tumultuous period defined by layoffs, delayed timelines and consolidations, but the industry remains hamstrung by lack of infrastructure, a panel of investors said during this week's virtual Automated Vehicles Symposium. [Read more at freightwaves.com.](#)

### Preliminary Study Results Show Risk of Driving After Concussion

Even after all of their symptoms are gone, people who have had a concussion take longer to regain complex reaction times, the kind you need in most real-life driving situations on the road, according to a preliminary study that will be presented at the American Academy of Neurology's Sports Concussion Virtual Conference from July 31 to August 1, 2020. The preliminary results could have implications for how quickly experts recommend drivers get back behind the wheel after a concussion. [Read more at technologynetworks.com.](#)
