2020 Updated FDR E-Learning Now Available

[Fraud Detection and Remediation](#) (FDR) is our most widely-accessed voluntary program. The updated courseware package (January 2020 version) is now available to member jurisdictions! The 2020 Annual Update features a number of important enhancements and new information including:

- NEW Real ID-Compliant Licenses Content
- NEW Driver License Gender Classification Information
- NEW Social Security Card Material
- NEW I-94 Travel Document Information
- NEW NMVTIS Supplement Material
- NEW Foreign National Driving Credential Content
- UPDATED Exemplars Throughout
- UPDATED 2020 Update Only Module for refresher training
- UPDATED Searchable FDR Content Index
- UPDATED indexed, searchable, and comprehensive job aid for print or electronic use
- UPDATED Jurisdiction Fraud Contact Lists

Visit the AAMVA website and follow the FDR Training path to review program details and access the download page. Please remember that you will need to use your AAMVA User ID and Password to access the material. Individual students should not attempt to retrieve the courseware from the AAMVA website. Instead, downloads are designed so that single training contacts can access the courseware on behalf of their agencies and then deploy the training throughout their organizations. REGION 1 NEWS

MVA Shares Safety Tips, Resources for Senior Drivers (Maryland)

Maryland has nearly 4.5 million licensed drivers, and among them is a rapidly growing older population. The Maryland Department of Transportation Motor Vehicle Administration is reminding older drivers that there are a variety of options to make getting behind the wheel safer for them and other road users. "Our ultimate goal is to ensure that all drivers remain safe on the road for as long as possible," said MDOT MVA Administrator Chrissy Nizer, who also serves as Governor Hogan's Highway Safety Representative. Mandatory Driver's License Suspensions Eliminated as Penalty for Some Non-Moving Offenses (New Jersey)

Gov. Phil Murphy Dec. 20 signed S1080, which eliminates the use of mandatory driver's license suspensions as a penalty for certain non-moving offenses. According to a release, "Driver's license suspensions for reasons unrelated to moving offenses are often overly punitive and can have a disproportionate financial impact on many working-class and minority families," stated Murphy. "A stronger and fairer New Jersey includes adapting our laws to support working families and not act against them." [Read more at capemaycountyherald.com](#).

Do I Need a Test? When Can I Get a License? Details on New NJ Driver's License Law (New Jersey)

New Jersey is almost a year away from issuing driver's licenses under a bill signed into law last week by Gov. Phil Murphy that will allow undocumented immigrants and others without paperwork to drive legally in the state. The legislation, as it reads, will take effect in January 2021. The measure creates two types of driver's licenses: a federally compliant Real ID license and a "standard" driver's license for certain residents including senior citizens, undocumented immigrants and others who may lack documentation. Uber Just Quietly Bought 600 Acres of Land to Build a New Test Track for Self-Driving Cars in Pittsburgh (Pennsylvania)

An Uber affiliate has purchased nearly 600 acres of land near Pittsburgh to test self-driving-car technology. The purchase marks the company's latest expansion of its autonomous-driving efforts, which it resumed testing on public roads in Pittsburgh in December last year after suspending the program for nine months following a fatal accident in Arizona. Motorists Passing on REAL ID in PA (Pennsylvania)

More than 612,000 motorists have gotten Real ID driver's licenses since the state began making them available in March, said Alexis Campbell, a spokeswoman for the Department of Transportation. Thus far, many people renewing their driver's licenses in Pennsylvania have opted not to get the Real ID, Campbell said. [Read more at dailyitem.com](#).

Local Public Safety Agencies Celebrate the Season in Style (Vermont)

Don't think public safety agencies can get into the holiday spirit? We've got news for you...It turns out, state departments of transportation and local law enforcement agencies can get into the holiday spirit, and the results are frankly spectacular. The Chester, Vermont, Police Department made the headlines this week with holiday-themed speed radar signs. [Read more at efficientgov.com](#).

State Troopers Release PSA About Holiday Driving Safety (Louisiana)

Louisiana State Police are urging safe travel during this Christmas/New Year season...LSP say through preventative steps and safe choices by drivers and passengers in motor vehicles, the vast majority of holiday crashes can be prevented. [Read more at klfy.com.](#)

Have New Year's Resolutions? REAL ID Should Be One of Them, SC Officials Say (South Carolina)

A new decade starts in a few days, and South Carolina officials have at least one New Year's resolution they want added to your list. Get the state's new driver's license and identification card — otherwise known as the REAL ID. "Any place I go, somebody comes up and says, 'I'm going to get around to it,'" Kevin Shwedo, director of the S.C. Department of Motor Vehicles, told state officials last month. "If you wait until next July, you may be there all day." [Read more at thestate.com.](#)

Tennessee Commissioner Outlines Plan to Ease Long Lines at Driver's License Centers

What to do about long lines at driver's license centers drew a lot of attention from state lawmakers this week. "We know people are frustrated with the lines," said Tennessee Department of Safety and Homeland Security Commissioner Jeff Long. "We are frustrated with them too." Those lines and long waits dominated questions Thursday at the Tennessee House budget hearings for Long's department which oversees the driver's license centers. [Read more at wkrm.com.](#)

DMV Urges Holiday Revelers to Be Aware of the Dangers of Impaired Walking (Virginia)

As law enforcement officers crack down on drunk driving across the Commonwealth as part of the semi-annual "Drive Sober or Get Pulled Over" campaign, the Virginia Department of Motor Vehicles (DMV) is also calling attention to another alcohol-related danger – impaired walking. Over the past three years, 36 percent of the pedestrians killed in Virginia crashes had been drinking prior to the crash. [Read more at shoredailynews.com.](#)

More Than 50 Hurt in Chain-Reaction Crash Involving 69 Vehicles on I-64 in Virginia

A chain-reaction crash involving 69 vehicles closed all lanes of Interstate 64 in York County, Sunday morning...Virginia State Police spokeswoman Sgt. Michelle Anaya said dozens of people were sent to the hospital. Two had life-threatening injuries, while eleven had serious but non-life threatening injuries. State police add that the majority of people hurt only suffered minor injuries. [Read more at nbc12.com.](#)

Deadline for Ohio Driver's License Amnesty Program Approaching

Antwane Foster, 33, said it's been a long time since he had a valid driver's license. Due to suspensions, and the amount of money he owed, he said it didn't seem like a possibility. Before Friday, Foster said, he owed \$4,000 in license reinstatement fees to the Ohio Bureau of Motor Vehicles (BMV). After applying for a reduction, he only owes \$800, and can get his license back after going on a payment plan. [Read more at beaconjournal.com](#).

Driver License Facilities to Extend Hours for REAL IDs Dec. 30 (Illinois)

Illinois Secretary of State Jesse White announced that beginning December 30 some Driver Services facilities throughout Chicagoland and northern Illinois will change operating hours and add exclusive days just for REAL ID applicants, to accommodate the increased volume of customers applying for the REAL ID driver's licenses and ID cards. [Read more at chicagocrusader.com](#).

Illinois Could End 2019 With Under 1,000 Traffic Deaths for the First Time in Years

Traffic fatalities in Illinois are down so far this year and state transportation officials want to keep it that way even with a record number of travelers expected to hit the roads for the holidays. The Illinois Department of Transportation wants to finish 2019 with fewer than 1,000 traffic fatalities for the first time in several years. IDOT spokesman Guy Tridgell said there have been about 50 fewer deaths in 2019 compared to 2018. [Read more at mdjonline.com](#).

DMV Urges REAL ID Before Law Changes (Wisconsin)

When enforcement of the REAL ID Act begins Oct. 1, 2020, the regular Wisconsin driver license or ID will no longer be accepted identification for domestic air travel or to enter a federal building or military base...Nearly 40 percent of all Wisconsin driver license or ID card holders are REAL ID compliant...“Our customers are encouraged to visit the DMV sooner rather than later. No one wants to miss their flight or meeting because they don't have the proper identification,” Wisconsin Division of Motor Vehicles (DMV) Administrator Kristina Boardman said. Stakeholder Comments Mostly Endorse Trading Rearview Mirrors for Camera Systems

Despite some cautionary notes, public comment on a National Highway Traffic Safety Administration advanced notice of proposed rulemaking largely favored permitting camera-based, rear-visibility systems to replace mirrors on light vehicles and heavy trucks...Some of the more than 560 commenters on the proposal wanted the camera systems to outright replace mirrors, some wanted to allow both mirrors and cameras, while others, including the American Association of Motor Vehicle Administrators, asked for clarification whether the ANPRM is contemplating a blanket exemption to the current regulatory standard. [Read more at tnews.com](#).

Explaining Level 4 and Level 5 of Self-Driving Cars in Plain English

What's a Level 4 or Level 5 self-driving car? Many ask that very question. Indeed, it is by far one of most popular questions that I get asked about self-driving cars when I speak at conferences, and refers to the various levels of automation that constitute a self-driving car. [Read more at forbes.com](#).

NHTSA in Talks With GM Over Fleet of Self-Driving Cars With No Steering Wheels

The U.S. National Highway Traffic Safety Administration is holding talks with General Motors on the automaker's petition to deploy a limited number of self-driving vehicles on American roads without steering wheels or other human controls, the head of the agency said on Friday. Acting NHTSA Administrator James Owens said his agency aims to make a decision soon on GM's January 2018 petition as well as a request by Softbank Corp-backed driverless delivery startup Nuro to deploy a limited number of low-speed, highly automated delivery vehicles without human occupants. Listen to the Soothing Sound Coming to London's Electric Buses

To improve safety on its busy streets, London is set to trial an audio track on its hybrid and electric buses that will automatically play on external speakers when the vehicle is stationary or traveling at a slow speed. With electric vehicles making little noise due to the absence of a combustion engine, the audio will alert nearby pedestrians, cyclists, and the visually impaired to the bus's presence. [Read more at digitaltrends.com](#).

Many Taxi Companies in US Aren't Required to Fix Cabs After Safety Recalls

In many of the nation's biggest cities, there are no laws requiring taxi companies to fix cabs after safety recalls. Now, the Center for Auto Safety is calling for that to change...A review by the center found the more than 35,000 cabs licensed in nine of the 10 U.S. cities with the most taxis are not required by their regulators to get safety recalls fixed before picking up passengers. [Read more at cbsnews.com](#).

2019: Hours-of-Service Rule, ELDs and Roads Dominated Political, Regulatory Concerns

For the trucking industry, 2019 was a year of transition, replete with regulatory victories and disappointments. Federal regulators proposed adding flexibility to the hours-of-service rule, while a two-year exemption for grandfathered electronic logging devices expired and roadside inspectors began full enforcement of the Federal Motor Carrier Safety Administration's ELD mandate...Meanwhile, the FMCSA's proposed HOS rule revision, made public on Aug. 14, might be remembered as one of the industry's — and the agency's — crowning achievements of 2019. [Read more at ttnews.com.](#)

FMCSA Doubles the Random Drug Test Rate for Truck Drivers

The Federal Motor Carrier Safety Administration (FMCSA) will be dramatically increasing the number of random drug tests that will be administered to Commercial Drivers License (CDL) holders in 2020. In a December 26 notice, the FMCSA announced that it would increase the minimum annual rate for random drug tests for truck drivers from the current 25% to 50%, effective January 1, 2020. According to the FMCSA, the increased drug testing rate will mean that 2.1 million random controlled substances tests will need to be conducted in calendar year 2020. [Read more at cdllife.com.](#)
