AAMVA Joins Donate Life to Celebrate National DMV Appreciation Week

AAMVA will join Donate Life America and Donate Life state teams in celebrating National DMV Appreciation Week, September 19-23, 2016. The Donate Life Community will spend the week saying thank you to Departments of Motor Vehicles (DMVs) across the country for their partnership and commitment to requesting organ donation from each customer. The Donate Life Community will be showing its appreciation of DMV partners by saying thank you to staff and

leadership of DMVs across the country through national and local events and outreach. For more information, visit: www.DonateLife.net.

AAMVA Sponsoring SMSA 2016 National Motorcycle Training Summit

AAMVA is proud to be a Silver Level sponsor of the **SMSA 2016 National Motorcycle Training Summit** September 21-24, 2016 in Portland, Oregon. The Summit was developed to help bring motorcycle safety professionals together from a variety of areas to exchange ideas and practices geared toward improving comprehensive motorcycle safety programming. The Summit features professional development workshops and several training tracks including Administration Sessions, Rider Education and Training Sessions, Instructor Training Session, and Range Activity/Training Session. Visit the [SMSA 2016 National Motorcycle Training Summit Web site](#) for more information on the summit, including a full listing of the summit's agenda.

State-to-State Update

Over the weekend of October 1, 2016, South Dakota will join the [State-to-State Verification Service \(S2S\)](#). Regular CDLIS/S2S Central Site availability between the evening of Saturday, October 1st and early morning of Monday, October 3rd will be affected. There may be periods during which the Central Site is in inquiry-only mode or unavailable (over and above the regularly scheduled maintenance window of 2:00 AM ET to 5:00 AM ET on Sunday). Exact details will be shared as soon as they become available. The Central Site should be fully operational again on Monday, October 3rd 5:00 AM ET. All other systems will be up and running during their usual available hours.

OUR SURVEYS

Please respond to these surveys from Illinois, Virginia, Montana, British Columbia, Utah, Ontario, and AAMVA.

Status and History requests between states should be unaffected by the work at the Central Site, with the exception of inquiries directed to South Dakota. South Dakota's availability will be shared with all States as soon as it has been finalized. States that are scheduled to implement CDLIS 5.3.2 during this weekend will still be able to do so.

Up next on the S2S implementation schedule is Nebraska on October 16th, followed by Arizona on October 30th. Wyoming, Virginia, Delaware, Alaska and Mississippi will follow with implementation dates scheduled in November, December, January and February. If you have any questions please contact the AAMVA Operations Help Desk at helpdesk@aamva.org.

REGION I NEWS**State Hires \$173 Per Hour Consultant for Long-Delayed DMV Computer Project (Rhode Island)**

Rhode Island officials have brought in reinforcements to finish the long-troubled computer modernization project at the Division of Motor Vehicles. [Read the full story at ProvidenceJournal.com](#).

REGION II NEWS**This DMV Is So Nice People Want to Spend Time in It (North Carolina)**

A DMV in the town of Holly Springs in North Carolina is offering customers a completely different experience than what they might expect. Tucked into a shopping center within the town, the quaint space hosts everything from a cafe, where customers can grab freshly baked cupcakes, made-to-order smoothies, and coffee, to a kid's play area for parents who arrive with their children. [Read the full story at TravelandLeisure.com](#).

Oklahoma Licenses Will No Longer Be Accepted For Access Onto Military Bases

Your Oklahoma driver's license may not get you on military bases after October 10. Oklahoma legislators failed last session to make our Oklahoma Driver's licenses REAL ID compliant, and the current extension expires October 10. Without another extension, visitors to the bases will no longer be able to use their Oklahoma driver's license for identification. [Read the full story at NewsOn6.com](#).

Feds Delay REAL ID Deadline to January

An Alaska driver's license won't stop being a valid identification to get on Fort Wainwright starting Oct. 10 as previously announced. [Read the full story at NewsMiner.com.](#)

Baidu Receives Approval from California DMV to Test Self-Driving Cars

China-based internet company Baidu has received a permit to test its self-driving cars in California from the state's Department of Motor Vehicles, as the race to introduce driverless automobiles accelerates. [Read the full story at Reuters.com.](#)

Comma.ai Will Ship a \$999 Autonomous Driving Add-On By the End of This Year

At TechCrunch Disrupt SF this year, famed iPhone and PlayStation hacker George Hotz unveiled the first official product of his automotive AI startup, Comma.ai. The Comma One is a \$999 add-on shipping before the end of the year, with a \$24 monthly subscription for its software, which Hotz says will be able to drive your car from Mountain View to San Francisco without requiring a driver to touch the wheel, the brake or the gas. [Read the full story at TechCrunch.com.](#)

Legalizing Pot Will Have 'Up-Front Costs,' Task Force Head Warns

Taxes on legal marijuana could add up to billions of dollars a year, but before that happens Canadians may have to make peace with spending to legalize pot. [Read the full story at CBC.ca.](#)

Ford Says Self-Driving Cars To Be Affordable for Masses by 2025

In the rapidly developing self-driving car industry, both tech and automobile companies are collaborating and competing to manufacture an accessible and affordable autonomous vehicle, and to make it readily available to consumers. [Read the full story at CSMonitor.com.](#)

your assistance with their research. If you need a Web password or have any questions about using the survey tool, please send an e-mail to webportalsupport@aamva.org or call Janice Dluzynski at 703-908-5842. All online surveys can be found on the [AAMVA Web site](#).

There Are More Flooded Cars on the Road Than You Think

The devastating floods in Louisiana last month raised alarms about the potential for previously submerged vehicles hitting the used car market. Such concerns arise after every major flooding event. [Read the full story at ConsumerAffairs.com](#).
