FEDERAL NEWS

FMCSA Seeks Emergency Revision of a Currently-Approved Information Collection for Licensing Applications for Motor Carrier Operating Authority

The FMCSA seeks [public comments on emergency approval](#) to revise an Information Collection Request titled, "Licensing Applications for Motor Carrier Operating Authority," that is used by for-hire motor carriers of regulated commodities, motor passenger carriers, freight forwarders, property brokers, and certain Mexico-domiciled motor carriers to register their operations with the FMCSA. All comments are due January 29, 2016 to the Office of Information and Regulatory Affairs, Office of Management and Budget.

FMCSA Withdraws Notice of Proposed Rulemaking on FMVSS Certification for CMVs Operated by U.S.-Domiciled Motor Carriers

The FMCSA [withdraws its June 17, 2015, notice of proposed rulemaking](#), which would have required each commercial motor vehicle operated by a United States-domiciled motor carrier engaged in interstate commerce to display a label applied by the vehicle manufacturer or a U.S. Department of Transportation Registered Importer to document the vehicle's compliance with all applicable Federal Motor Vehicle Safety Standards (FMVSSs) in effect as of the date of manufacture. FMCSA withdraws the NPRM because commenters raised substantive issues which have led the Agency to conclude that it would be inappropriate to move forward with a final rule based on the proposal.

FMCSA Annual Random Controlled Substances Testing Percentage Rate for 2016

The FMCSA [announces that it is reducing the minimum annual percentage rate](#) for random controlled substances testing for drivers of commercial motor vehicles (CMVs) requiring a commercial driver's license (CDL) from the current rate of 50 percent of the average number of driver positions to 25 percent of the average number of driver positions, effective in calendar year 2016. The FMCSA Administrator has the discretion to decrease the minimum annual random testing percentage rate based on the reported positive random test rate for the entire motor carrier industry.

States Ask The U.S. Supreme Court Not To Intervene in Executive Immigration Lawsuit

Texas and 25 other states [filed a brief](#) Tuesday, December 29th requesting the Supreme Court not to intervene in their lawsuit challenging the Obama administration's executive actions on immigration. The Administration has asked the Supreme Court to decide whether a federal appeals court in New Orleans erred in blocking implementation of these executive actions.
