

Developing the Path to E-Titling

**Deb Hillmer, South Dakota Department
of Revenue, Division of Motor Vehicles
Chair E-titling working group**

- **Questions you should ask yourself**
 - **Who do I need to educate on e-title?**
 - **Who needs access?**
 - **What processes need to be changed?**
 - **What infrastructure do I need to put into place?**
 - **How secure is your infrastructure?**
 - **How can you authenticate your customers?**

- **Authority/Legislation**
 - **Be a champion for the program**
 - **Educate**
 - **Meet with dealers and lenders to discuss the vision**
 - **Look at processes and try to streamline where possible**
 - **Educate on the benefits of e-title**
 - **Educate your users on the path to e-title**
 - **Educate your legislators and pass legislation that authorizes you to implement e-title**

- **Enhance Systems/Security**
 - **Review security of your systems**
 - **Meet with your IT staff**
 - **Design a Portal**
 - **Dealers access**
 - **Customer access**

- **Review how you can authenticate both the buyer and seller**
 - **Use DL as an identifier**
 - **How should we identify businesses? FEIN/SSN/State issued number**
- **Processes you need to have in place:**
 - **Dealers on-line - state developed or vendor supplied**
 - **Lenders on-line - ELT**
 - **Customers need on-line access – secure portal**
 - **Prepare petition for alternative process for federal odometer disclosure**

- **Questions?????**
