The Region I Conference got off to a great start in Toronto, Ontario. The opening general session got underway this morning, bringing together jurisdiction members, exhibitors, and guests to officially kick off the conference. Attendees can look forward to several days of great networking, informative sessions, and lots of fun. Visit the [Region I Landing Page](#) for more information.

Region III Information Exchange Registration Now Open

The 2014 Region III Information Exchange will be held October 28-30 at the Doubletree by Hilton Hotel Chicago Oak Brook. Registration for this event is now available online. Information about the IX, including a draft program is available at <http://www.aamva.org/2014-Region-III-Information-Exchange/>.

2014 AIC Guest Speaker Announced

AAMVA is excited to announce this year's luncheon speaker as U.S. Senator Tom Carper from Delaware. Don't miss this unique opportunity to hear from the U.S. Senator that The Washington Post has referred to as "a notably effective and non-partisan leader, admired and trusted on both sides of the aisle". Serving as Senator for Delaware since 2001, Carper was previously Delaware's sole member to the U.S. House of Representatives, as well as a two-term Governor for Delaware. As the state's Senior Senator, Carper also serves as the

Chairman of the Committee on Homeland Security and Government Affairs. For more information on Senator Carper [visit here](#). For more information, visit the Annual International Conference Web site at <http://www.aamva.org/2014-AIC-Landing-Page/>.

E-Odometer Task Force Held Webinar and Seeking Feedback

The E-Odometer Task Force held a webinar on Wednesday, July 16 outlining the approach used to draft the E-Odometer Task Force Report and went through the report contents. We would like to extend a thank you to those who were able to participate. For those who were unable to participate but are interested in what the Task Force had to say, the archived webinar can be found at <http://www.aamva.org/Webinar-Archives/>. The Task Force is asking for feedback on the report by August 5, 2014. You can submit your feedback by completing the section by section questions here: [E-Odometer - Draft Report Feedback](#).

New Studies and Reports Section on AAMVA.org

Visit AAMVA.org to view the newest section of the website, [Studies and Reports](#). You can take a look at research conducted by other AAMVA jurisdictions or from other sources outside of the AAMVA community. Head over to the [Studies and Reports](#) section to see more.

AAMVA Provides Legislative Analyses

AAMVA reminds members that it makes legislative analyses available to its membership through the [Government Affairs](#) section of its Web site. These analyses provide a summary of the legislation with a specific focus on those sections pertaining to the AAMVA membership. Recent analyses include the Highway and Transportation Funding Act of 2014 (HR 5021) , the Improving Driver Safety Act (S. 2563) and legislation to prevent the expansion of the Deferred Action for Childhood Arrivals program (S. 2631) amongst others. AAMVA welcomes jurisdiction specific comments on any aspects of [federal legislation](#). If you or your agency have a specific request for further analysis or questions, please direct them to GovernmentAffairs@aamva.org.

GHSA: States Fail to Qualify for Complicated Highway Safety Grants

As State Highway Safety Offices know, the well-intentioned federal highway safety grants authorized through the current transportation funding law have so many strings attached that few states have been able to qualify. In 2014, no state qualified for the [teen driving grant](#), [one for distracted driving](#), and four for [ignition interlock](#). For more information, visit usatoday.com.
