We love our customers, but.....

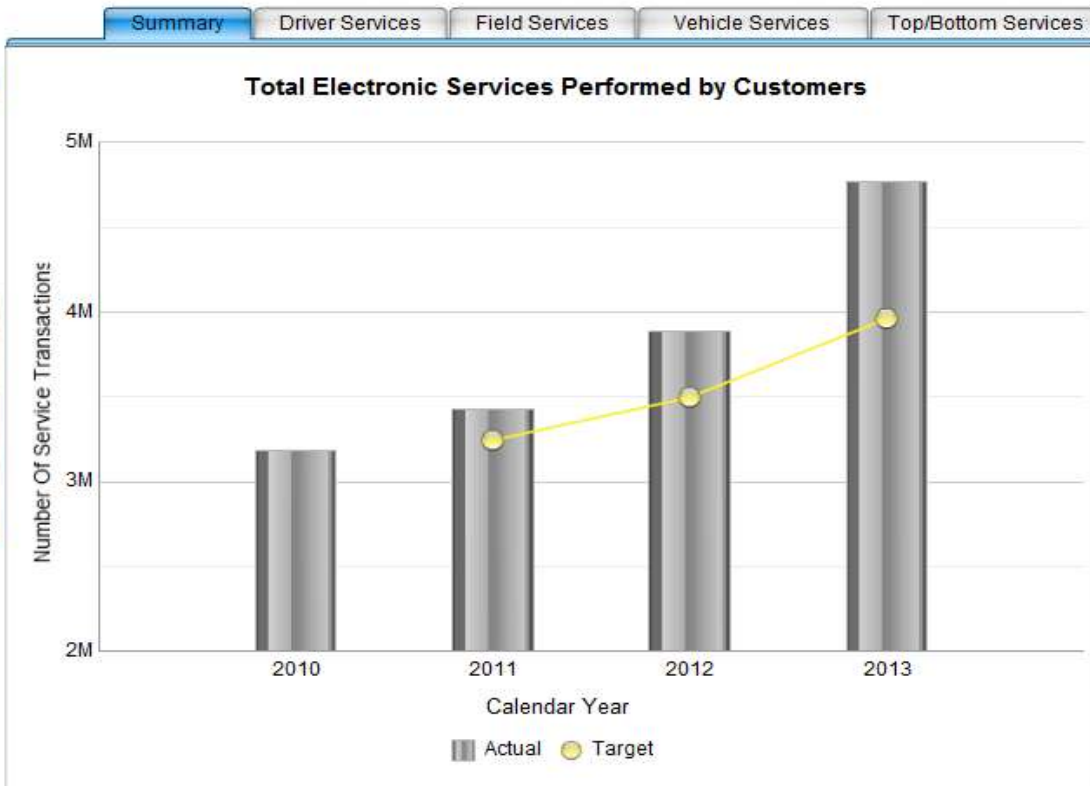

- ▶ There are always new opportunities to meet their needs remotely.
- ▶ Customers have increased expectations for quick and easy service alternatives.

DMV electronic services

Vehicle Registration

How is this measure trending?

Favorable

Service: High quality and accurate products and services delivered in a timely fashion by a professional and proactive workforce.

One way to reduce wait times and improve employee efficiency at the Division of Motor Vehicles (DMV) is to offer more services electronically or through automated customer self-service options. Our goal is to increase the number of DMV electronic service transactions by 2 percent each year, with a target of 3.3 million in 2013.

3. What you need

A.1

Welcome to the Driver Licensing Guide!

Our self-service online guide provides you with secure personalized information after you answer a few simple questions. The Driver Licensing Guide goes to work, searching for your Wisconsin DMV record.

Assuming your record is found, you will receive additional information related to your specific DMV search. If your record isn't in our system, or you choose to search anonymously, we'll provide you with general information based on the answers you give us.

Would you like me to access your driver record information?

- [Frequently asked questions](#)
- [Glossary](#)

Title your vehicle with eMV Public

The online system eMV Public is designed to assist Wisconsin residents who purchase or acquire a vehicle and need to title and register it in their name. This system is available for the following types of vehicles:

- Automobiles
- Light Trucks (8,000 pounds or less)
- Sport Utility Vehicles (SUVs)
- Motorcycles (no mopeds)

To use this system, you will need:

- A Wisconsin title, signed by the [seller\(s\)](#), including:
 - An [odometer reading](#) completed by the seller(s) on the back of the title for vehicles less than 10 model years old.
 - A [lien release](#) if there is a [lien holder](#) listed on the front of the title and the loan is paid off.
- A printer with 8 1/2 by 11 inch paper.
- [Adobe Acrobat Reader](#)
 - See [instructions](#) on how to set the default viewer to use Adobe Acrobat Reader for different internet browsers.
- A [Wisconsin Driver License or Identification card](#), last four digits of your social security number and date of birth.

Note: Never buy a vehicle without seeing and receiving a title signed by the previous owner.

If you need to update your address, we encourage you to [change your residence address](#) online before you begin. You may also find out if you have any [restrictions](#) (incidents) that would prevent you from obtaining a DMV product.

When you have successfully completed your online application, you must print and mail the receipt ([eMV Public receipt sample](#)) with your title, any other required documents and payment to the Wisconsin Department of Transportation (WisDOT). Please do not visit a DMV service center or an agency/business that offers title and registration services to complete your application.

If applying for new plates, you must also print and display the temporary plate. See an eMV Public [temporary plate sample](#). Temporary plates are not issued for motorcycles. See [instructions](#) for complete information.

Wisconsin Title

[FAQ](#)

Please use the buttons and/or links provided below for navigation.

Enter the Wisconsin title number shown on the title you received from the seller. The sample title shows where you can find the title number on most Wisconsin titles. Do not enter the Vehicle Identification Number (VIN).

Wisconsin Commercial Driver's Manual

(en español)

The Wisconsin Commercial Driver's Manual informs about driving rules and practices to safely operate a commercial motor vehicle with a Class A, B or C driver license. It provides you with information to obtain endorsements required to transport passengers, operate combination vehicles, tank vehicles, school bus, vehicles with air brakes and transport hazardous materials.
