

Pushing Vehicle Boundaries: Registering Unconventional Vehicles

June 4, 2015

Casey Garber

AAMVA Perspective

- What issues has AAMVA heard about in the past?
- What AAMVA resources are available?
- What new issues are arising?
- As new issues come up, how does AAMVA address them?

In the Past

What unconventional vehicle issues did AAMVA hear about in the past?

- Mini Trucks
- Three Wheel Vehicles
- Replica Vehicles
- Street Rods
- Specially Constructed

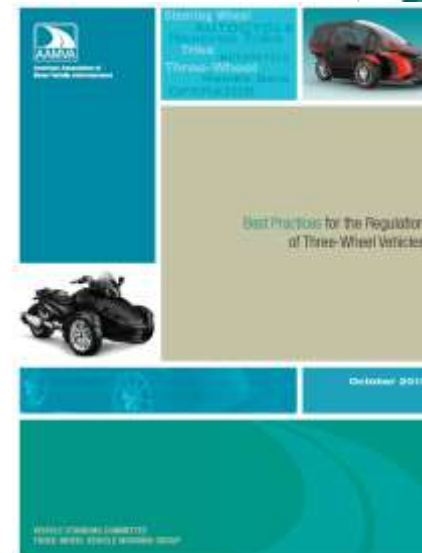

Best practices for each of these issues can be found on AAMVA's website under Best Practices.

New Issues

Glider Kits

Challenges and Issues

- How to describe on title and registration?
- Circumventing emissions regulations
- Consumer protection
- A non-compliant vehicle
- Importation

Tiny Homes

Challenges and Issues

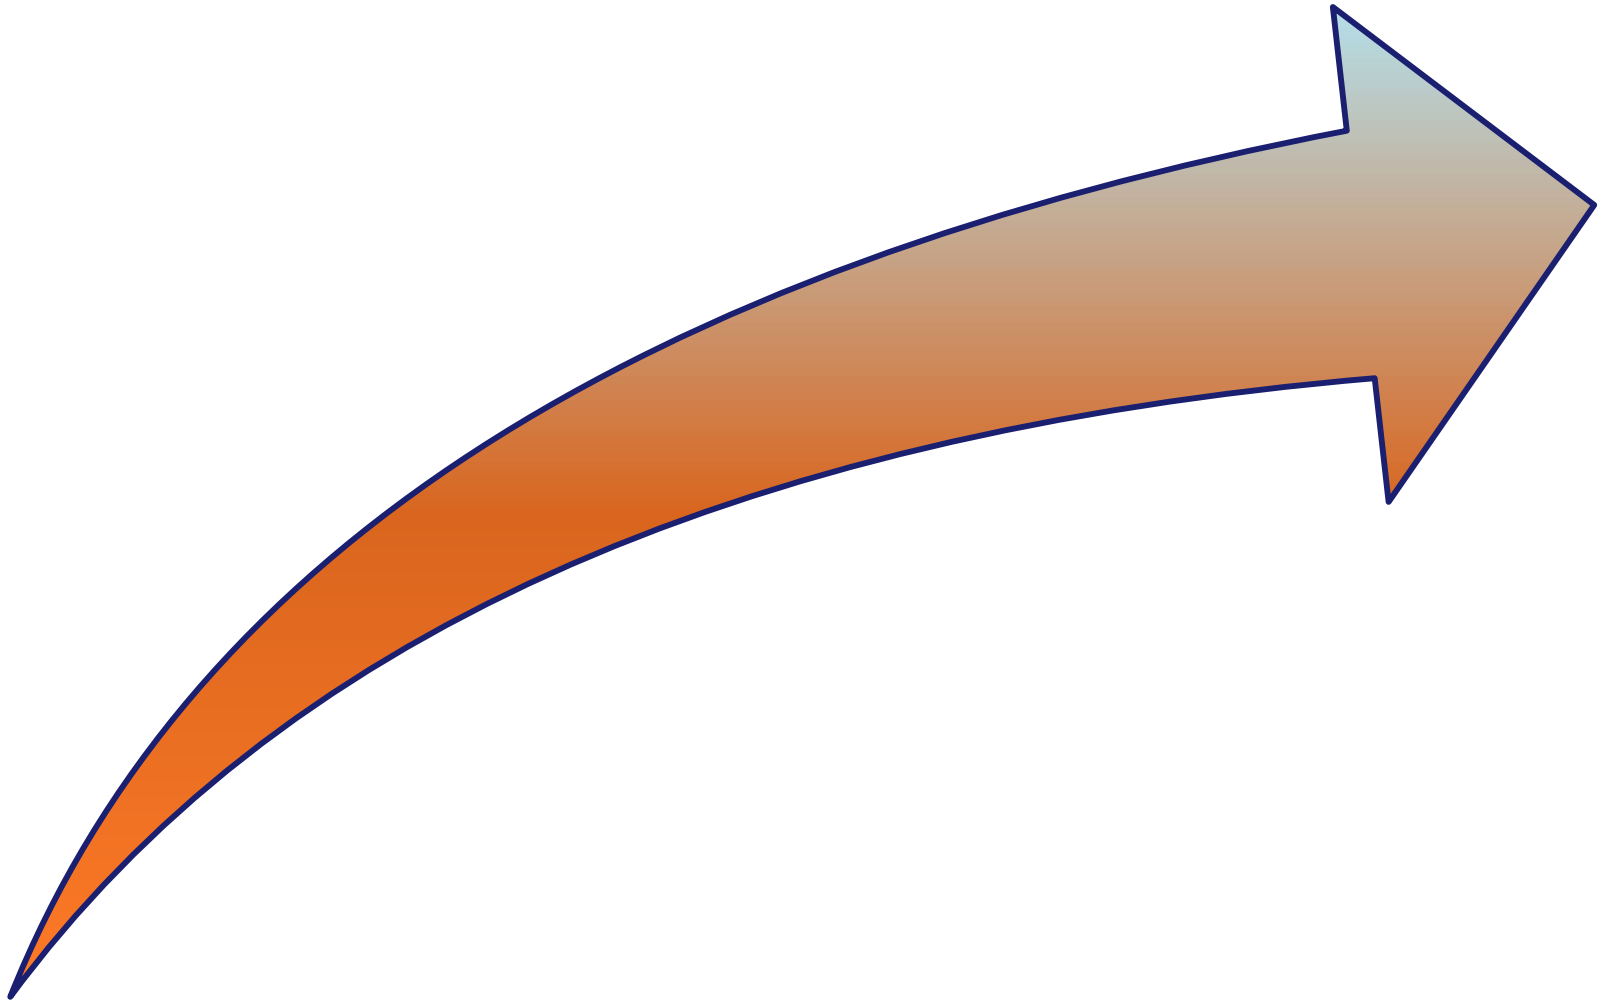

- Title and Registration Considerations
- Lack of regulation – safety standards
- No specific inspection standards
- Roadworthiness
- Towing and transportation
- Insurance

New Issues

What unconventional vehicles are you seeing in your jurisdiction today?

Now What?

Questions and
Comments?
