Dear Ms. Hanchulak:

I would like to nominate Daniel Fitzloff for Minnesota's Examiner of the Year.

Daniel Fitzloff has been a state driver's license examiner in Minnesota since July 1990. Dan is relied on to make difficult decisions on a regular basis, and based on his knowledge and experience, does so with ease. He is able to handle any of the unique challenges that arise.

When conducting driver license examinations, Dan is courteous and professional to the citizens of Minnesota. He is always willing to help the customer understand the skills that need improvement to enhance their individual operator safety.

Dan volunteers to provide assistance at other examining stations when staffing is limited. He is always willing to perform job duties wherever needed and demonstrates a positive example of teamwork. Loyalty to the professionalism of being a driver's license examiner is demonstrated when Dan goes above and beyond and strives to be the best in everything he does. He has earned the respect and confidence of others. Dan is dependable and his good work ethic and positive attitude sets an excellent example for other driver license examiners.

Dan is an ambassador for the organ and tissue donation program. He had a heart/kidney transplant in 2008 and was willing to share his story with LifeSource administrators in 2010.

Dan enjoys life to the fullest, and in his spare time, the companionship of his two dogs Jonathan and Nicholas.

We are proud to have Daniel Fitzloff as Minnesota's Examiner of the Year.

Sincerely,

A handwritten signature in black ink that reads "Deb Carlson".
