Dear Denise:

Thank you for the opportunity to submit the following Iowa Driver License Examiner nomination for recognition in the 2012 CDE Hall of Fame.

This year Iowa would like to nominate Driver License Examiner Constance Redig. Connie has been with the Iowa Department of Transportation's Office of Driver Services for almost 22 years. As one of the Examiners in the second largest driver license station, she still looks forward to going to work each day and promoting highway safety. Her goal has always been to be a great role model for her team, community, family and friends.

Connie's DOT journey began on January 4, 1991, when she was hired as a permanent part time employee. Connie knew immediately this was the right job for her as she wanted to help make the roads safer after losing her husband in 1986 in a car accident involving a semi. Two years later, she was promoted to Examiner. She spent the next several years gaining the knowledge needed to become a respected Examiner for the State Of Iowa.

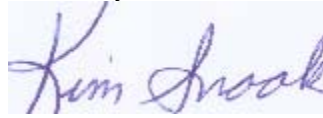

Connie is a hardworking, dedicated and dependable employee of the Office of Driver Services. She is an effective team leader, and ensures the station is run efficiently. Starting the day with a positive attitude, going the extra mile and treating everyone with respect and fairness have always been her strengths. When she sees something that needs to be done, she does it without being prompted.

Connie's calm demeanor and patient approach is an asset as she works with all customers. Her licensing decisions are marked with a high degree of fairness and uniformity; in accordance with established laws, rules and practices. Her number one goal of highway safety is always the foremost consideration in her licensing decisions.

Examiner Redig has one daughter, Sarah. She is a college graduate from the University of Iowa. When not at work, Connie enjoys traveling, swimming, the Iowa Hawkeyes football and spending time with her many relatives and friends.

Thank you for the opportunity to submit this nomination. Examiner Redig is an excellent candidate for the 2012 CDE Hall of Fame.

Sincerely,
