Re: IDEC Examiner of the Year Nomination

Dear Ms. Hanchulak,

Montana has chosen Peggy Klein as our outstanding examiner in 2013 and our nominee for the IDEC Examiner of the Year.

Peggy began her work with the state of Montana in 1985 as a relief examiner. As such, she provided examiner services to both the central and eastern parts of the state of Montana. Being an examiner was in her blood, but the travel was wearing; when the opportunity came, she transferred out of the relief position to a routine office examiner. She still travels a day or two a week, but these are day trips to outlying offices.

Peggy is very dedicated to her profession. She is diligent in ensuring that she stays current and up to date on all policy and procedure changes; she retains accurate records of past and present practices. Peggy has been a great training asset for the staff in her region. She volunteers to assist with group CDL testing and on her way to the office on routine CDL testing days, she stops by the testing site and sets up the cones for the skills testing so it is ready and waiting when the testing examiner and applicants arrive. Peggy is a viable contact for all co-workers throughout the state and a respected member of our team.

An employee that goes the extra mile for both her internal and external customers, we proudly nominate CCE and CDE Peggy Klein for consideration of the IDEC Examiner of the Year award.

Respectfully,

*Kristine Thatcher*
