Below you will find the Utah Driver License nomination for Kaye Leigh Cranford for the Examiner of the year award.

Kaye Leigh has been with the division for the last 9 years & works in our Vernal/Roosevelt office. She is the go to person of the office. If the Supervisor is unable to be in the office, Kaye Leigh takes charge and is able to cover point's hearings and help with driver reviews; she can also run a SAVE at a moment's notice.

Kaye Leigh has been administering the CDL road test for about a year, she caught on very quickly and as a CDL examiner, she is very knowledgeable when it comes to the process and answering any questions that customers or coworkers may have. She is excellent at asking questions and discussing any concerns that may arise, making her a great team player. Her computer skills are exceptional, and her error rate is zero to none. She is excellent at training new employees, and is always there to answer questions for her co-workers and help them through the process if need be. She keeps her work neat and professional. She is very reliable. She has excellent customer service skills, especially when dealing with an angry customer. We know that we can always count on Kaye Leigh with anything. She is a great asset to her office as well as the Division.
