Dear Ms. ^{DENISE} Hanchulak:

The Virginia Department of Motor Vehicles is proud to nominate Rose Crist for the International Driver Examiner Certification (IDEC) Examiner of the Year award.

Rose has been with the Virginia Department of Motor Vehicles for 20 years and was one of the original commercial driver's license examiners when Virginia DMV formed the Driver's License Quality Assurance department in December 2001. She currently works at Virginia DMV's Commercial Driver's License Central Test Site in Suffolk, Virginia. Each and every day, Rose sets an exceptional example as a dedicated and hard-working employee who performs all her duties in an accurate and enthusiastic manner. Her work ethic, professionalism, and technical knowledge place her at the top of her peer group. Rose's confident demeanor and timely responsiveness help inspire and maintain high morale and team spirit throughout the Suffolk CDL Central Test site. Rose is also quick to volunteer at CDL test sites in other districts when customer volumes increase or if there is a shortage of staff.

Methodical and extremely conscientious, Rose's actions are well-planned, smoothly executed, and in the best interest of customers and the agency. Rose can be relied upon each day to work expeditiously and efficiently, regardless of the complexity or magnitude of the task at hand, and she is a valuable asset to the Virginia DMV team.
