Dear Ms. Hanchulak:

The New Jersey Motor Vehicle Commission (NJMVC) proudly nominates Safety Specialist 2 Carlton E. Williams for AAMVA's 2017 International Driver Examiner Certification (IDEC) of the Year award.

Mr. Williams started his career at the NJMVC as a Safety Specialist Trainee in 1985, administering road tests for auto, motorcycle and commercial vehicles. He has also worked for the Division of Inspection Services in the Mobile and Bus Units, performing inspections and audits on commercial truck and buses, ensuring all federal and state regulations, policies and procedures were enforced.

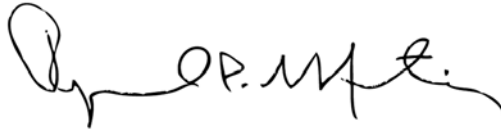

Carlton has been a mentor to new Safety Specialist Trainees and is a certified examiner. He has taken on additional responsibilities to include acting Road Test Supervisor. His dedication to his work, as well as his knowledge and commitment regarding Commercial Driver License (CDL) Skills Testing make him a valuable asset to the NJMVC.
