Dear Ms. Hanchulak:

The New Jersey Motor Vehicle Commission (MVC) proudly nominates Safety Specialist 2 Brian Scholer for the American Association of Motor Vehicle Administrator's (AAMVA) 2018 International Driver Examiner Certification (IDEC) of the Year award.

Mr. Scholer started his career at the MVC as a Safety Specialist 1 in 2009, administering road tests for auto, motorcycle, and commercial vehicles. He has experience in agency driver testing, performing document review, permit and license issuance, and knowledge testing.

In 2014, Brian was promoted to Safety Specialist 2 and in 2015 he was assigned to the Commercial Driver's License (CDL) Mobile Compliance Unit. Brian has received extensive CDL training, to include AAMVA's CDL "Train the Trainer" program, and he has shared his knowledge to improve our CDL training and evaluation programs and develop staff talent.

Brian is a proactive CDL trainer and auditor, focused on safety, compliance, and customer service. He exhibits sound communication skills and was selected to participate in our CDL education and outreach program. Brian also assists with CDL site design and course layout. He leads by example and exemplifies professionalism and teamwork at its best.
