NSTIC Update

- Signed by President 15 April
- National Program Office established
- Grant Program Established
- AAMVA-lead team pilot proposal submitted

AAMVA-NSTIC Proposal

- IDPs willing to pay for attribute verification
- Revenue sharing model with jurisdictions?
- Current status of grant

AAMVA-NSTIC Proposal

- Millions of low-assurance e-IDs (email)
 - Not useful to citizens
 - Not useful to Relying Parties (i.e states)
- Level-Up e-IDs by verifying *attributes*
 - Name, addresses, DOB
- Level 2 creds broadly useful
 - Prove residency for taxation, resident fishing?
 - Login to state websites?
