IID HISTORY

- Early 1980’s
  - 1 or 2 manufacturers
  - Limited technology and device features
  - Less than 100 units installed
  - No legislation
  - No or very generalized administrative rules

- 2012
  - Fourteen manufacturers in the US market (NHTSA)
  - Sophisticated technology and device features
  - Over 225,000 IID’s currently installed
Association of Ignition Interlock Program Administrators

- All 50 states have legislation
- Specific administrative rules

www.aiipa.org
Ignition Interlock Programs
State officials say human error is responsible for hundreds of DWI ignition interlock devices incorrectly programmed at levels ten times higher than they should have, making it possible for the convicted drunk drivers possessing them to drive under the influence.

NEW YORK (WCBS 880), March 3, 2011.

VISION

AIIPA will help improve traffic safety through a reduction in the incidence of impaired driving by helping create or improve ignition interlock programs.
MISSION

To provide leadership to the IID community by promoting best practices, enhancing program management, and providing technical assistance to improve traffic safety by reducing impaired driving.
PURPOSE

➢ To develop and improve methods of ignition interlock program administration;

➢ To assist the members of the Association in:
  ➢ Implementing and revising ignition interlock programs in member jurisdictions;
  ➢ The development of best practices consistent with the needs and goals of the jurisdictions; and
  ➢ Identifying actions needed at national, state and local levels to develop and to improve ignition interlock programs including cross jurisdictional issues;
PURPOSE

➢ To identify and research issues associated with ignition interlock programs;
➢ To develop and promote training programs for persons and organizations involved in ignition interlock programs and their administration;
➢ To cooperate and assist persons and/or organizations in the consideration and solution of ignition interlock program issues;
➢ To plan, organize, and administer meetings and conferences, reports and other projects to promote and advance these and related purposes through the membership.
ANNUAL CONFERENCE
