- Guidelines for Motorcycle Operator Licensing
- Foreign Nationals Driving Credentials at Roadside
- Best Practices Guide to Reducing Suspended Drivers
- Model Problem Driver Intervention & Education Program

# Driver Standing Committee

## On-Going Tasks – NHTSA Funded

- **Motorcycle Operators Manual**
  - Finalized the Knowledge Test Item Pool questions
  - NHTSA approved the 3-Wheel Vehicle Item Pool and MOM Supplement
  - Work continues with Georgia on their participation in the MOM pilot
- **Comparative Data**
  - Datasets from over 23 jurisdictions are online and available for searching
  - Extension request received from NHTSA extending task to 7/8/13
  - Grant funding of \$3,000 is still available to jurisdictions to assist in the data entry process

# Driver Standing Committee On-Going Tasks – NHTSA Funded

- **NDR Working Group**
  - Make recommendations to NHTSA on suggested regulatory changes
  - Short-term recommendations states can review now
    - » Best Practice Document
    - » PDPS Clean File Recommendations
    - » State Self-Assessment Tool
  - Long term recommendations to NHTSA finalized by December 2013. Initial suggestions include:
    - » ACD Codes in Appendix A should be highway safety related
    - » Edits to ensure only appropriate codes are being sent through PDPS
    - » Require submission of clean file every 3 years
    - » Process for removal of non-compliant pointers
    - » Compliance reports for state review on a regular basis
  - Next working group meeting scheduled for Sept. 2013

# Driver Standing Committee On-Going Tasks – NHTSA Funded

- **DLA Support**
  - DLA adoption has halted due to economic and REAL ID concerns
  - Extension request received from NHTSA extending end date until 9/13/13 to allow for jurisdictions to begin DLA adoption
  - Future NHTSA DLA funding is in jeopardy if DLA adoption does not begin in FY13

# Driver Standing Committee On-Going Tasks – NHTSA Funded

- **International Driver Examiner Certification (IDEC)**
  - Distribution of the new IDEC CDE Manual is ongoing
  - Developed IDEC webinars to assist jurisdictional examiners in receiving IDEC certification
  - Created jurisdictional IDEC Examiner of the Year nominees area on the AAMVA website
  - Distributed 2013 IDEC membership survey
  - Project has been extended until 12/31/13

## **Driver Standing Committee On-Going Tasks – FMCSA Funded**

- **CDL Train-the-Trainer**
  - Latest CDL Train-the-Trainer class held April 2013 in St. Petersburg, FL
  - CDL Test System Examiner Update classes held October 2012 in St. Petersburg, FL
  - Next Examiner Update classes tentatively scheduled for October 26 – 27 & 28 – 29, 2013
- **2013 CDL Coordinator/IT Meeting**
  - Held January 15-16, 2013 in Houston, TX.
  - 183 jurisdictional members were in attendance.
  - Planning for 2014 meeting underway

# Driver Standing Committee On-Going Tasks – FMCSA Funded

- **Auditing CDL Skills Test Examiners and Creation of Road Test Training Video**
  - New 42-month task awarded September 2012
  - Will develop an Auditing Training Curriculum and resources to be utilized by jurisdictions to document program oversight and FMCSA State Directors and staff personnel to train new staff and assist in conducting audits, reviews, etc.
  - Will provide jurisdictions with a road test video completing the CDL Examiner training video series
  - Ensures compliance with the Commercial Driver's License Testing & Commercial Learner's Permit Standards Final Rule regarding the training requirements for state CDL Knowledge & Skills Test Examiners as well as Third Party Examiners.

## **Driver Standing Committee On-Going Tasks – AAMVA Funded**

- **Motorcycle GDL Best Practices Working Group**
  - Proposal approved by Steering Committee
  - Work had been postponed pending NHTSA review and approval of draft Motorcycle Operators Manual (MOM) and draft 3-wheel vehicle supplement.
  - NHTSA has approved MOM and 3-wheel supplement so work can now begin on this task. Working Group will be formed and first meeting held in the Spring - Summer 2013 timeframe.

# **External Fraud Working Group**

**Jointly Sponsored by the Driver, Vehicle  
& Law Enforcement Committees**

## External Fraud Working Group

- **External Fraud Working Group**
  - Working Group formed spring 2012; first meeting held July 2012
  - Three year charter to develop a best practices document on detecting and deterring external fraud
  - Draft document underway
  - Internal fraud best practices will eventually be merged with external fraud document

## External Fraud Working Group Members

- Owen McShane, Chair, NY
- Tiffany Roadcap, PA
- Chrissy Nizer, MD
- Brenda Mays, OK
- Paul Steier, IA
