

# The Generation Gap

## Supporting a Positive Work Environment While Bridging the Generational Gap

July 14, 2015

Robert Ide

## Rob's Top 10

### **“Letterman is to long to spell”**

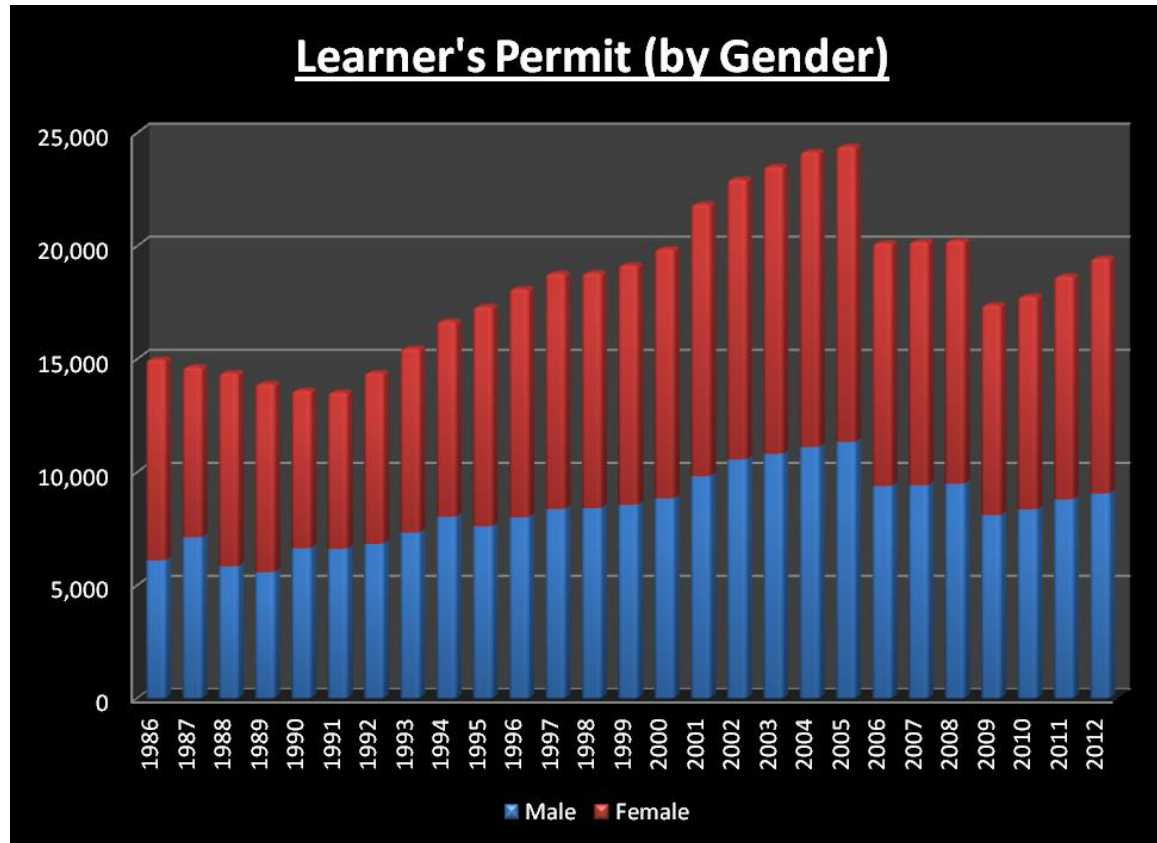

10. Employees who join together embracing a common work ethic
9. Employees need to feel their work adds value to the organization
8. Units who embrace similar governing values
7. No labels (don't classify me as a Boomer, an X, or a millennial)

# The Generation Gap

6. Knowing the total employee
5. Mentorship
4. Equal treatment
3. Create atmosphere for mutual appreciation for different skills and talents
2. Create multi-generational teams

# The Generation Gap

1. Looking from another mountain
  - The role of the older worker
