Warning: Please do not approach traffickers. Call the hotline, and if instructed, the local police (911). Allow law enforcement to deal with traffickers and rescue victims. Approaching traffickers is not only dangerous for you and their victims but could lead to problems in the eventual prosecution of traffickers. Also, if at a truck stop/travel plaza, please notify the manager-on-duty of the suspicious activity; she/he needs to be aware of what is taking place on the lot and assist in ending it.
