New! COVID-19 Jurisdiction Materials Page

We have a new [resource page](#) for jurisdiction members to share information regarding the coronavirus pandemic. Some members have developed documentation to support operational changes related to COVID-19 to share with their colleagues. [Click here](#) if you'd like to submit information (and any supporting materials) in connection with what your jurisdiction has done in response to the COVID-19 pandemic and to see what other jurisdictions are doing.

Please note: this page is for **jurisdiction members only** to share information with each other. It is not accessible to associate members or the general public and requires jurisdiction members to log in to reach the protected page.
